Mr. John W. Darden,  
Plymouth, N. C.

Dear Mr. Darden:-

I was in Plymouth a little while yesterday and regret that I did not get to see you. However, I did get out to see the proposed site for the colored school. I do not believe it would be difficult to obtain enough additional land to make the required two acres.

I am recommending that our State standard one-story, ten-room building be used, and have sent a copy of the plan to Mr. Norman. With a loan of \$20,000 I believe this building can be put up, and with the aid which we give be nicely equipped.

Superintendent Allen suggested that the loan be obtained from the Literary Fund rather than from the Special Building Fund. This, as you know, is to be repaid in ten years, while the Special Building Fund loans run for twenty years. However, the interest on the Literary loan is only 4%, while it is 4½% on the Special Building Fund loans. I think the City Board is planning to ask your Board to make application for this loan on the first Monday in April. I am hoping that this can be done, and that work will begin on the building at an early date.

With good wishes and kind personal regards,

I am

Very sincerely yours,

W. F. CREDLE  
Supervisor Rosenwald Fund.
